There's no need to go to Porirua, says Chamber

The Kapiti Chamber of Commerce congratulates the team at Mitre 10 Mega Kapiti on the grand opening of their new store today.

Chamber Chairman Mark Ternent said after the event "with the opening of Mitre 10 Mega, in addition to the other great retail stores we already have in Kapiti, there's really no need for Kapiti people to drive to Porirua to get their home improvement supplies".

"Porirua has great people too, but let's do our shopping in Kapiti" says Mr Ternent. "Save yourself an hour in the car, the cost of petrol, and put your money into the wage packets of local people working locally, supporting local families".
