Kapiti Aquatic Centre Trust

CONGRATULATIONS

Dear Neil,

The Management Committee of the Kapiti Coast Chamber of Commerce would like to warmly thank and congratulate the Kapiti Aquatic Centre Trust members for all their efforts and perseverance towards the construction of an Aquatic Centre for Kapiti.

Seeing the trucks moving on Kapiti Road has been a great milestone and we encourage you to continue and deliver what will be an excellent facility for Kapiti; from now and into the future.

We leave the management of this project to you and we are conscious of project cash constraints. However, we do hope that there is appropriate planning being done now to ease the way for Stage 2 in due course.

Yours faithfully,

Mark Ternent MNZM
Chairman
Kapiti Coast Chamber of Commerce
